

Alive!™ Soil Activator (3-1-1)

Application Instructions

New vegetable or flower beds:

- Apply 1 lb. per 300 sq. ft. to the bed either before planting or while plants are growing.
- Incorporate into the soil and moisten to activate beneficial microbes.

Houseplants and container gardens:

- Mix 1 tsp. in enough soil to fill a 4–6 in. pot.
- Moisten soil and add plants.
- For larger container gardens, follow the same steps above except use 1–2 Tbsp.

Guaranteed Analysis

Total Nitrogen (N).....	3%
Available Phosphate (P ₂ O ₅).....	1%
Soluble Potash (K ₂ O).....	1%

Contains nutrients that aid in microbe proliferation as well as increased plant growth.

Derived from brewer's yeast, dried molasses, distiller's dried grain, alfalfa meal, wheat middlings, soybean meal, crab meal, kelp meal and microbial supplement.
