Product Information

Weed-Aside Herbicidal Soap Ready-to-Use is a fast-acting weed, grass, algae and moss killer. Incidental overspray will not stain concrete or pavement. Weed-Aside Herbicidal Soap Ready-to-Use is a non-selective herbicide that controls many common annual weeds. Weed-Aside Herbicidal Soap Ready-to-Use suppresses the growth of some bi-annual and perennial weeds. It can be used in cultivated areas prior to planting grass or flowers. Areas can be re-sown five days after treatment. Weed-Aside Herbicidal Soap Ready-to-Use can be used at any time during the year. Best results are obtained with young, actively growing weeds, less than five inches in size.

Controls: Annual bluegrass, chickweed, corn spurry, dandelion, groundsel, lamb's-quarters, large crabgrass, mouse-eared chickweed, mustards, plantain, redroot pigweed, round leaved mallow, sheep sorrel, shepherd's-purse, stinkweed, thistle, moss, algae and lichens.

Use Sites: Around ornamental flowers, mature shrubs and trees; spot treatment in lawns bordering garden areas; bark mulch; around planters, containers, raised beds and other structures holding flowers, trees, shrubs and vegetables; and in planting beds prior to planting grass, flowers or vegetables.

WARRANTY

To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for the purposes stated on this label only when used in accordance with the directions under normal use directions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Harmful if inhaled. Avoid contact with eyes or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

Environmental Hazards

This product is toxic to aquatic invertebrates. Do not apply directly to water. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

Directions For Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

APPLICATION DIRECTIONS

Shake well before using. Do not dilute. Spray weeds and grasses thoroughly when weather is dry and warm (application rate: 6 to 9 oz./yd.²). If rain falls within three hours of application an additional application may be required. Repeat treatment every 2 to 3 weeks for control of new growth. Avoid spraying desirable plants. For optimum results spray weeds before they reach 5 inches in size. For control of dandelions and other large rooted weeds, first injure plant by splitting top of root; then apply 0.7 oz. of Weed-Aside Herbicidal Soap Ready-to-Use onto damaged root.

FIRST AID	
IF IN EYES	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
IF INHALED	<ul style="list-style-type: none">• Move person to fresh air.• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.• Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For emergency information concerning this product, call the poison control center at 1-800-222-1222.

Precautionary Statements

Hazards to Humans and Domestic Animals:

WARNING: Causes substantial but temporary eye injury. Causes skin irritation. Harmful if inhaled. Avoid breathing vapor or spray mist. Do not get in eyes, on skin or on clothing. Wear eye protection (goggles, face shield or safety glasses), long-sleeved shirt, long pants, socks, shoes and rubber gloves. After this product is diluted in accordance with label directions, eye protection, gloves and long sleeves are not required. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Environmental Hazards: This product may be hazardous to aquatic invertebrates. Do not apply directly to water. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

STORAGE AND DISPOSAL

Pesticide Storage: Store unused material, tightly closed, in original container only, away from open flame. Do not store at temperatures below 39°F.

Pesticide Disposal:

If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Product Information

Weed-Aside Herbicidal Soap is a fast-acting, non-selective weed, grass, algae, and moss killer. This product is not translocated. It will burn only those plant parts that are coated with spray solution. The best results are obtained with young, actively growing weeds, less than 5 inches high. Weed-Aside Herbicidal Soap can be used any time during the year and works best during warm and dry conditions. Application during cold weather may delay appearance of plant damage. If rain falls within 3 hours of treatment, an additional spray may be required. Weed-Aside Herbicidal Soap controls many common annual weeds and suppresses the growth of some bi-annual and perennial weeds. It can be used in cultivated areas prior to planting grass, flowers and vegetables. Areas can be re-sown five days after treatment. Inadvertent overspray of Weed-Aside Herbicidal Soap does not stain concrete, pavement, stucco or wood.

Use Sites:

Use on weeds within vegetable and flower gardens, landscaped areas, and lawns. Also use on weeds in the vicinity of small fruits and fruit trees. Around and on buildings, sidewalks, fences, bark mulch, driveways, patios and gravel.

Weed-Aside™ Herbicidal Soap

- Economical concentrate
- An herbicidal soap
- Eliminates unwanted vegetation quickly
- Won't stain bricks, concrete or asphalt
- Kills within hours
- Fast acting
- Kills weeds, grass, algae and moss
- Do not spray on lawns or desirable plants
