micronutrients to support
long term soil and
plant health in
grapes &
muscadines.

Supports deep roots for more flavorful fruit

Manufactured for Gardens Alive![®] Inc. • 4424 Dixie Highway, Fairfield, OH 45014 • 513-354-1483 • GardensAlive.com

APPLICATION INSTRUCTIONS

Apply once a year in the spring at a rate appropriate for new or existing plants in your garden or vineyard.

- ½ cup per plant at time of planting
- 1/2 lb. per individual established plant
- 1 lb. per 10 ft. of linear vine (typically two plants)
- 1 lb. per 100 sq. ft.

A second, late summer application can be applied if desired at the same rate.
